

Seymour Community Swim Club

Water Warriors

Volunteer time

** To help run the club, parents/guardians will be expected to volunteer their time for fund raising and other events hosted or supported by the swim club. In order to help pass the proposal for purchasing a new timing system for the pool, both the girls swim team and Water Warriors needed to help the district out. For at least the next 5 years, the HS swim team and the Water Warriors will be running the home meets. Volunteering will be on a first come first serve basis. After that, duties will be assigned. If something comes up at the last minute, or you really can not make it, then you must find a replacement.
